responsibility for the safety of your vehicle or its contents at the place of departure. If you choose to park

please park only in the areas designated in your final tour information packet. Vehicles not parked in the
indicated areas may be subject to towing and all expenses incurred are the responsibility of the owner.

#### **ITINERARIES**

- Every effort will be made to accommodate the planned itinerary for each tour; however, each itinerary is subject to change with or without prior notification.
- Burlington Trailways reserves the right to make changes to the itinerary or schedule of any tour for reasons of safety, convenience or to provide what it considers to be an improvement of the tour package. Burlington Trailways assumes no liability for such changes and shall be held harmless by you for any such changes.

# **TOUR PRICING**

- Burlington Trailways reserves the right to change published pricing in the event the costs to Burlington Trailways are adjusted by the attraction/venue being visited or other means that are outside of our control.
- We make every effort to ensure the accuracy of the products and services we offer in our tour catalog, brochures, advertisements and online at TrailwaysTravel.com. We are not liable for any informational/typographical errors on the website or in any catalog, brochure or advertisement.

  - If your credit card has already been charged for the purchase and your order is cancelled due to an error, we shall immediately issue a credit to your credit card in the amount of the incorrect price plus processing fee.
- All prices are quoted per person. Sharing a room is always a better value as the room cost is then split between all parties in that room.
  - Pricing is listed as Single (1 person per room) or per person Double (2 people per room).
  - When available, pricing may also be listed as per person Triple (3 people per room), and per person Quad (4 people per room).

Room assignments are made at the discretion of each hotel; however, if the traveler has a specific need, we will make a special request but cannot guarantee it. Please advise at the time of reservation if there is a special need.
  - Luggage handling is included for one large piece of luggage per person at all hotels that offer the service. We do our best to include luggage handling, but it is sometimes not available.
- Sightseeing All sightseeing tours and admissions are covered in the tour price as outlined in the tour itinerary and listed on the back page of the brochure.
- Meals Meals are only included if specified in the brochure and itinerary.
  - Meal codes are used on the itineraries. They are as follows:
    - B = Breakfast
      - A continental breakfast is considered a meal.
    - L = Lunch (may be a boxed lunch but will be indicated in the day's description.)
    - D = Dinner
- Tour Host and Driver Burlington Trailways has essential people who are involved in planning our tours with you, the traveler, in mind. They do their best to assure your hotels, meals, sightseeing attractions, and miles driven in a day will aid you in having one of the best worry-free vacations available. After the in-office planning, it is turned over to our professional Tour Hosts and Drivers who help ensure your experience to be comfortable and enjoyable.
  - The Tour Host assists you from the moment you get on the motorcoach until you complete your tour. They stand in line for tickets, check the group into hotels, entertain the group, handle any individual situations and/or concerns of passengers and inform you of the many sights you may see.
  - Many travelers have told us that we have the best Motorcoach Drivers in the business. Our Drivers are not only professional in every aspect, but are also caring, congenial and helpful.
  - Most importantly, our Drivers and Tour Hosts look forward to each and every tour so that our travelers feel special from the first moment they step on board until they return back at the end of the tour. This is a great reason why Burlington Trailways is a great vacation value!

# LOOKING FOR A ROOMMATE?

• Occasionally we have single or widowed passengers looking for a compatible traveling partner to enjoy a tour and share a room. (Each room would contain separate beds.) While we will not just assign roommates, we will provide (with your permission) contact information so that you can meet and talk with each other prior to reserving space on a tour. We can temporarily hold space while that decision is made.

# LUGGAGE

- We ask passengers to limit their luggage to one piece per passenger not to exceed 62" combined length, width and height. It should not exceed a 50-pound weight limit and should have identification attached as well as inside the luggage. This large piece of luggage may be delivered to your hotel room.
- Carry-on bags are allowed but must be able to fit in the overhead compartment or at the passenger's feet. If space is available, they may be placed under the motorcoach at the driver's discretion. All

passengers are responsible to transport carry-on bags to and from their hotel rooms on their own. Please remember to pick up your carry-on bag upon arrival/check in at each hotel if you placed it under the motorcoach as this is your responsibility.

• Hotels will handle only one piece of luggage per passenger.

# CARGO

- The ability for travelers to bring along extra cargo may be limited. Preference will be given to items necessary for medical reasons. If you require items such as wheelchairs, motorized wheelchairs (including carts and scooters), air tanks, walkers, etc., please let us know as soon as possible to see if accommodations will be possible.
- Individual items weighing over 70 pounds will only be accepted on a space available basis.
  - These items will require people accompanying that traveler to be able to load and unload that item from the motorcoach as we cannot have the driver handle parcels in excess of 70 pounds.
    - If the item may be disassembled such that no single piece exceeds the 70-pound limit, then it may be handled on a space available basis. The driver will not be responsible for assembly/disassembly.
- As motorcoach space is limited, these limitations are necessary to ensure that all travelers are afforded equal opportunity regarding luggage allowance.

# WEAPONS

• Passengers are not allowed to bring weapons on the motorcoach.

# MOTORCOACH GUIDELINES/PRECAUTIONS DURING THE COVID-19 PANDEMIC

- All passengers are required to bring and properly wear a CDC recommended style of face covering while
  entering, exiting or moving about on the motorcoach and while interacting with the driver, host and other
  passengers when proper social distancing is not possible. If proper social distancing is possible, it is at the
  passenger's discretion to wear the approved face covering while in their seat. This policy will be enforced
  to respect the health and safety of all passengers.
- When social distancing is unable to be practiced, the wearing of a CDC recommended face covering is required.
- Passengers must abide by the guidelines set forth by each venue the tour may visit. If the passenger should decide to not abide by the guidelines set forth, the venue does have the right to refuse you service.
- Each motorcoach will have limited capacity on all Burlington Trailways tours. Our goal is to keep the coach at a 50% 75% capacity.
- Passengers will be spaced throughout the motorcoach with every other row of seats being empty if possible.
- Passengers are encouraged to sit with members in the same household and/or with whom they rode with to the departure location or may be rooming with during the tour.
- Passengers will sit in the same assigned seat throughout the entire tour.
- We require any passenger who is sick or showing symptoms of illness to stay home, unless the symptoms can be confidently attributed to another reason. Should a passenger become ill during the tour, the passenger will be responsible for arranging alternate travel home. Monies paid to venues may not be refundable.
- Burlington Trailways Drivers and Tour Hosts will wear CDC approved face coverings when interacting with passengers. Drivers will not be required to wear a face covering while driving.
- Each night the Driver will thoroughly clean and sanitize the motorcoach.
- During the day, the Tour Host will frequently sanitize high touch areas in the motorcoach.

# FOOD, BEVERAGES & SMOKING

- Small (six-pack size) soft sided coolers are allowed on the motorcoach; however, no glass containers may be in them. Alcohol is prohibited unless your specific tour lists an exception to this rule. The Driver and/or Host may inspect any or all coolers and dispose of alcoholic beverages. Passengers under the age of 21 may not have alcoholic beverages at any time during the tour duration. Coolers must fit under the seat and cannot be stored in the overhead compartments.
- Eating and drinking (non-alcoholic beverages) are allowed, but please be neat and use the trash cans available on the motorcoach.
- There is no smoking or use of any illegal substance allowed on Burlington Trailways motorcoaches. Breaks are made during tours, please take advantage of those if you wish to smoke. Passengers are required to refrain from all tobacco use while on board including electronic cigarettes, vaping materials, smokeless/chewing tobacco and dip. Do not stand and smoke near the entrance of the motorcoach.
- Many hotels are smoke-free. Please know that if you do smoke in a non-smoking hotel room, you will be personally responsible for any charges incurred from such by the hotel.

# MOTORCOACH ETIQUETTE/COURTESIES

- Be considerate of other passengers, driver and host at all times.
- Be on time. Punctuality is extremely important when traveling with a group.
- Each motorcoach is equipped with a restroom for your comfort which may be used while on the road. Please leave the restroom clean for the next user.
- Each passenger must be in their seat before the motorcoach can depart. We ask passengers to remain in their seats while the motorcoach is moving unless they are using the restroom or table that may be set up in the rear. When moving about while the motorcoach is in motion, please use the handrails located just under the opening of the overhead compartments as a stability aid.
- Many people have allergies or reactions to perfumes, colognes and strong scents. Please consider others by refraining from wearing excessive amounts.
- Please limit cell phone use while traveling on the motorcoach. Put your cell phone on vibrate, or silent, if possible. Turn the volume of your ringer down if you must leave it on. Remember to lower your voice level when taking a call on the motorcoach and to keep conversations brief. It is wise to avoid personal topics when others are around and can hear you.
- If you have brought your own music or video to watch while traveling, please use headsets so that others seated around you cannot hear.

# SEATING

- Seats are assigned in the order that reservations are received. Special seating requests cannot be guaranteed; however, we will do our best to try and honor these. Oftentimes we have many seating requests to try and accommodate which is not always possible. All seats assigned are for the duration of the tour but exchanging seats by agreement of each party involved is acceptable.
- If you are traveling with a roommate or group, it is very important to provide this information when making your reservation. Odd number groups (1, 3, 5, etc.) may be seated across, or in front of each other, and/or matched with other odd numbered groups when needed to accommodate all passengers on the tour.

# **ACTIVITY LEVELS**

- On all tours, leisurely walking is a part of the trip. Please be sure to wear comfortable shoes for walking.
- An activity level will be noted on the back of each tour brochure to provide some guidance as to what is expected from the traveler on that particular tour.

  - If cancelled after the final payment date, or date listed for refund availability, no portion of any payments made towards the tour are refundable, including the travel protection premium.

    - Burlington Trailways will provide to said traveler all documentation required by the travel protection company from Burlington Trailways to make your claim.
- Substitute Travelers
  - On motorcoach tours, if Burlington Trailways or the cancelled traveler can find a substitute within 2 days of the scheduled departure, no financial penalties will be incurred by the cancelled traveler unless fees are incurred by Burlington Trailways due to the change.

- This policy **does not** apply to tours that include airline, cruise ship, rail transportation or other methods of transportation outside of the motorcoach, or venues that require passenger identification to be provided ahead of time.
- Cancellations made by Burlington Trailways

# WEATHER RELATED INSTANCES

- All tours will operate as scheduled unless cancelled by Burlington Trailways. We will call to advise if a tour will not be going.
- Weather situations are beyond our control and may develop while a tour is already underway.
  - These situations will be addressed to help ensure your safety and to include as much of the original tour as possible.
  - In the event a weather delay forces the extension of a tour, additional lodging and meal expenses will be the responsibility of the traveler.
- If weather or other conditions are such that travel will constitute an unacceptable risk to tour participants, travel may be suspended and refunds will be based on the amount of the cost expended that can be recouped by Burlington Trailways.

# **EVENT POSTPONEMENT/CANCELLATION**

- Ticketed venues retain the right to cancel or reschedule their events. If the event does not occur on the originally scheduled date, your reservation will be automatically moved to the new date.
  - If you are unable to travel on the rescheduled date, your ticket may be provided to you, if physically supplied by the venue to Burlington Trailways. It will be the traveler's responsibility to obtain the refund or make it available for sale to others.
- If the event is cancelled or delayed after the motorcoach arrives, there will be no refunds for the transportation portion of the tour as the transportation has already been provided.
  - In the event of rain delays for sporting events, etc., the group will wait a reasonable amount of time in the hope that the event will take place. In the event of a rain out, the policy on the back of the ticket will prevail and it is the traveler's responsibility to obtain any available refunds offered by the venue.
- If a scheduled event is cancelled for any reason beyond the control of Burlington Trailways, all travelers with active reservations will be reimbursed to the full extent of the reimbursement that Burlington Trailways can obtain from vendors/suppliers. No other costs will be refundable and Burlington Trailways will assume no responsibility for the cancellation.
